

REMARKS

Claims 3-6, 11-14, 17, 19, and 24 are amended; claims 1-2, 7-10, 15-16, and 18 are cancelled; and claims 25-29 are new. Claims 3-6, 11-14, 17, and 19-29 are pending, of which claims 20 and 25 are independent claims.

The claims have been amended to cancel original independent claims 1 and 9; to add new independent claim 25 which recites features recited in claim 20; to add new dependent claims 26-29 from new claim 25; and to selectively re-write certain dependent claims to now depend from claim 20 or claim 25 as appropriate.

In the Office Action, claim 24 was rejected under 35 U.S.C. § 112, 2<sup>nd</sup> para., for lack of antecedent basis for "the clock time". Claim 24 has been amended to correct this informality.

In the Office Action, claims 1-16 are rejected under 35 U.S.C. § 103 based on the combination of Rabne, O'Brien and other references. It is believed that these rejections are no longer applicable due to the cancellation and amendment of the claims herein.

In the Office Action, it is indicated that claims 20-24 are allowable. In view of the amendments herein, it is believed that all the claims are also now allowable. Favorable action is respectfully requested.

Respectfully submitted,

/James F. Thompson/
